

Electro Magnetic Locks Fire Rated - 1200

Specification and Features

- 545 kgs (1200 lbs) holding force
- Selectable 12 / 24V
- Lock status monitoring, built in bond sensor
- Current drain
 - 420mA +/-10% / 12V DC
 - 210mA +/-10% / 24V DC
- UL 10B / 10C fire certified
- Operating temperature -10°C to +55°C
- LED light
- Brushed anodized aluminium finish

Product code	Finish
ULC-545-SL-A	Brushed anodized aluminium
